

The Salvation Army

Corporate Christmas Angel & Forgotten Angel Programs

These toy drives help bring Christmas joy and cheer to underprivileged children across the Valley. Last year, thanks to the kindness and generosity of our donors, we were able to serve more than 50,000 children in need with brand new toys at Christmas! For many of these children, these may have been the only gifts they received on Christmas Day. Please join us in our efforts to help make a difference for so many thankful families who struggle to make ends meet during the holiday season and throughout the year.

How can your organization get involved?

What's the Difference Between Christmas Angel and Forgotten Angel?

For Christmas Angel, we will provide the site coordinator with a select number of angel tags, each with the name of an actual child in need and that child's wish list. Donors will select a tag, purchase gifts for their angel and return them (unwrapped) to their coordinator who will return them to the Army. **It is very important gifts are returned on the drop-off date selected on the registration form. Family pick-up dates correlate with the date each organization is scheduled to return gifts.**

Forgotten Angels are not assigned to a specific child. The Army provides a large box that can be decorated and displayed as a collection bin. Donors will purchase new toys for any child, 12 and under, and return them to the bin. Toys should not be wrapped. These toys will help make up for any angels that don't get selected, are lost, or just need a little extra care. Site coordinators will make sure the Army receives all these gifts on **December 7, 9 a.m. – 4 p.m.**

Can our group sign up for both toy drives?

Absolutely! Just check both boxes on the attached registration form. Choose your drop-off date and time under Corporate Angel drop-off only.

When is deadline for registration?

All registration forms **must** be received no later than **November 2.**
