

THE SALVATION ARMY

Corporate Christmas Angel & Forgotten Angel

The Salvation Army is now enlisting participants for the 2017

Corporate Christmas Angel & Forgotten Angel Toy Drives

These toy drives help bring Christmas joy and cheer to underprivileged children across the valley. Last year, thanks to the kindness and generosity of our donors, we were able to serve as many as 50,254 children in need with a brand new toy at Christmas! For many of these children this may have been the only gift they received on Christmas Day. Please join us in our efforts to help make a difference for so many thankful families who struggle to make ends meet during the holiday season.

How can your group get involved?

Conduct your own Christmas Angel and/or Forgotten Angel toy drive at your location. Simply complete the form and send that back to us. We'll make sure to package all the supplies you will need and have them ready for you to pick up at the Kick-Off Event scheduled to take place at our headquarters on November 15, 2017.

What's the difference between a Corporate Christmas Angel and Forgotten Angel toy drive?

For the **Christmas Angel** toy drive, we'll provide you with a select number of angels (tags) and other materials you will need to help keep your drive organized. Each tag includes a real child's name and wish list. Donors will select a tag from the site coordinator, purchase gifts for that angel and return them to the site coordinator for safe keeping until they're due back at our warehouse for distribution. Each tag has a designated return date.

It is very important that we receive these back in time to be distributed to the families they're meant for.

For the **Forgotten Angel** drive, we'll provide you with a large box that can be decorated and displayed as your collection bin. Donors will purchase new toys for any child, ages 0-12 and return them to the collection bin. These toys will help us make up for any angels that don't get selected, are lost, or just need a little extra care. Site coordinators will make sure we get them back in time. All Forgotten Angel gifts are due back at the warehouse on December 7, 2017. If your group is interested in attending the Forgotten Angel Event at Chandler Fashion Center on December 8, 2017, please specify this in the notes section of your registration form.

Can our group sign up for both toy drives?

Absolutely! As long as we receive all donations by the designated return dates, you're good to go.

What goes on at the Kick-Off event?

Tons! We'll get to meet one another, we'll have snacks and refreshments to enjoy, we'll conduct a brief overview of both programs and answer any questions you might have, and you'll get to collect the supplies you'll need for your drive(s) all in about 35 minutes time. It's very important that someone from each group attends this event to collect your materials.

When is the deadline for registration?

Due to limited staff availability and in order to maintain production for these programs, all registration forms must be received no later than November 10, 2017 to ensure your supplies will be ready.
